in this probing work franks takes an engaging look at the global oil industry and offers tips on how to navigate the price volatility and new policies associated with it

the 1973 oil shock is considered a turning point in the history of the twentieth century at the time it seemed to mark a definitive shift from the era of low priced oil to the era of expensive oil for most western industrialized countries it became the symbolic marker of the end of an era for many oil producers it translated into an unprecedented control over their energy resources and completed the process of decolonization leading to a profound redefinition of international relations this book provides an analysis of the crisis and its global political and economic impact it features contributions from a range of perspectives and approaches including political economic environmental international and social history the authors examine the origins of what was defined as an oil revolution by the oil producing countries as well as the far reaching effects of the shock on the cold war and decolonization on international energy markets and the global economy in doing so they help place the event in its historical context as a key moment in the transformation of the international economy and of north south relations

where are you from where is your home do you miss home these are questions that efa e etoroma born in nigeria has frequently been asked since moving to canada in 1978 in this

autoethnography the concordia university of edmonton professor examines his views on what home really is and his struggles to feel a true sense of belonging anywhere he has lived explained with candor and occasional vulnerability home reflections on marginality and belonging is told from the perspective of a marginalized black christian immigrant but his story is relatable to anyone who has felt alienated or had a crisis of identity efa shares his personal experiences of growing up in post colonial northern nigeria raised anglican amongst mostly muslims and fleeing to the southern region as a child shortly after the start of the nigerian civil war then he recounts moving to canada to attend school but staying upon meeting his future canadian born wife he explores his connection with black pentecostal churches as well as his thoughts on grieving death and aging away from his homeland supporting these experiences efa incorporates an abundance of research for a wider cultural and social context home reflections on marginality and belonging is part snapshot of the author s life a way of identifying who he is and where he is from part answer to the questions where are you from and where is your home and part exploration of the micro level contradictions of social change brought about by modern society

do you question things i mean really question things right down to the nitty gritty of life how about getting blamed for something you didn t do or vice versa how about rejection i m good at that something about you someone doesn t like welcome to the club this is a book about life real life not the glossed over look at me how pretty kind of crap this is about the good the bad and the ugly i ve scored really high on two of those welcome to life the way i saw it and the way life saw me while i ve occupied this planet things in my life may not be all that different than it is for you and you ve probably had your own personalized versions of the junk that goes on in these pages i hope you handled it better than me welcome to the cuckoo s nest

popular science gives our readers the information and tools to improve their technology and their world the core belief that popular science and our readers share the future is going to be better and science and technology are the driving forces that will help make it better

describes how an ordinary family car may be transformed on a limited budget into a unique custom car

beginning in 1985 one section is devoted to a special topic

originally published in 1979 the teds is a classic of british documentary photography a vivid and absorbing book combing image and text to tell a fascinating story of music and dance that spans some three decades recorded by award winning magnum photographer chris steele perkins illustrated with 72 duotone photographs
